BARCLAYS IN BOTSWANA

Barclays Botswana was established in 1950 and was the first bank to be listed on the Botswana Stock Exchange. Today, we have a network of 50 branches and service centres serving the major commercial centres, mining areas and local communities. We are proud to be recognised locally as a leader in the provision of corporate and retail services.

A LOCAL APPROACH

Barclays House Business Centre in Gaborone provides a 'one-stop shop' for all Business customers. With our extensive knowledge of the local market, we are uniquely placed to provide complete and flexible financial solutions and first class servicing support.

We provide a suite of financing and transactional solutions to large and medium businesses through a dedicated Relationship Manager supported by product specialists. Following a number of new products launched in 2006, including an Internet banking solution that can be accessed locally or internationally, we have increased our cash management business substantially. In trade finance, we have continued to expand our reach locally and internationally.

Drawing on the global capability of the Barclays Group, our dedicated cash and trade specialists will also provide you with the solutions and comprehensive support that you need for your business as it grows internationally.
