### BARCLAYS IN INDIA

Barclays launched its Commercial Banking division in India in 2006. Our capabilities have grown rapidly and we have already made a difference for a number of leading Indian corporations; from large multinationals and public sector companies to small and medium sector enterprises. Through a comprehensive offering that includes core financing and working capital facilities, liquidity and cash management services, trade finance and treasury solutions, we consistently deliver the highest level of support and service at both a local and regional level.

### LOCAL AND GLOBAL CAPABILITY

We recognise that businesses need to adapt more quickly to ever increasing changes in the business environment whilst maintaining and increasing profitability. At Barclays, we provide solutions tailored to your specific needs to help you meet your business objectives. We can introduce you to our banking specialists, for example in trade and sales financing, both locally and across the whole of the Barclays Commercial Bank network as your business continues to grow.

We understand that relationships are vital; banking with us gives you access to a dedicated relationship team and a wide range of local and international specialists to help you to achieve success in India and the other countries you operate in.

A list of the cash management and trade finance solutions we offer in India is provided overleaf.
